BUILD FOR GREAT NATIONAL EXHIBIT

Coming of National Dairy Show to Milwaukee Presents Golden Opportunities.

By LEWIS C. FRENCH

Definite announcement that the 1924 National Dairy show will be held in Milwaukee will prove to be a stimulus for southern Wisconsin agricultural interests, leaders in the exhibiting of prize livestock. Bringing the dairy show to Milwaukee presents a golden opportunity to further the dairy interests of the state.

The National is the big dairy show, carrying the full prestige of a national exhibit that really becomes international in scope because of entries from Canada. It is competition open to the world, consequently the awards are considered final. At Milwaukee will be assembled the greatest collection of dairy stock that can be concentrated in North America. Full support from all the state will mean national dairy show success, and if such a thing were possible, it would be to Wisconsin's interest to hold the National as a permanent attraction.

Start County. The time to prepare for the National is the present. Rock, Green, Jefferson and Walworth counties have opportunities that have not before been presented. It is up to Wisconsin to uphold her reputation and standing as "the great dairy state." This means better entries and exhibits that will carry the Wisconsin name to the head of the line.

Every breeder has an obligation to the state's securing the National, not only in support, but wherever possible to have exhibits.

Rock county will send out another county exhibit. Successful and great as was last year's demonstration, Rock must make her efforts at the coming year in preparation for the Milwaukee classic. Green county has voted to form a Holstein show herd, for Green has not entirely recovered from the timing Rock gave it at its county fair, and wants revenge. Green county has many great Holsteins and Brown Swisses. Jefferson, the premier exhibitor of Holsteins, will be on deck stronger than ever, for the Jefferson county farm herd can be figured to produce a strong line-up of winners. Green, Jefferson and Walworth county are herds from which top quality cattle can be selected. Walworth county will be out in full force to regain show ring supremacy which during the past two years have been slipping away to either Jefferson or Rock.

Wisconsin Must Win. County rivalry is good thing, for it brings out strong competition, thereby presenting an interesting contest. But in the case of the National it is a case of the counties for the state. The winning line and backing to the support of the state standard. Showing on her home ground, Wisconsin must prepare exhibits of Holsteins, Brown Swisses, Jerseys and Brown Swisses that will brand the name Wisconsin on the top ribbons and prizes. An effort will be made to have Miking Shorthorn added to the classes at the National Dairy show, this breed of cattle being barred under present rules. Since the Dairy Shorthorns are allowed in England and have proven their production merits by record, it is hoped that they will be allowed to compete this year under the international rules required by the international.

Start Fitting Cattle. Every purchased breeder having a dairy animal that carries show merit is urged to start "right now" in fitting that animal, in view of the National. Rock county will need every show animal in the county. It takes months, not weeks, to properly fit a show animal.

As soon as the roads open up, inspection of the herds of the county will be started, with the view of not only making tentative selections for the county herd, but also for the program of livestock development. Oftentimes it is the owner of a small herd that presents the champion animal. And if there is any likely show stock in Rock county it must be brought forth in preparation for the National.

Rock county breeders are proud of the county's showing and upholding the county slogan. However, it is a foregone conclusion that Rock will have to "step some" to make good on its slogan at the National.

Selecting the best stock. The Rock, Jefferson, Walworth and Green counties have would present a rare combination of show stock, all from a limited district of southern Wisconsin—the heart of the dairy state. These four counties can present competition that is stronger than many other states can exhibit.

Intercounty cooperation would be a good thing for the National.

WALWORTH COUNTY LOAN ASSOCIATION REPORTS BALANCES

The stockholders of the Walworth County National Farm Loan association held their annual meeting at Elkhorn, J. W. Swan, secretary-treasurer, reported a prosperous year with total loans of \$88,700 and a substantial cash balance on hand. A 10 per cent dividend was declared on the stock of the association, which is all held by those obtaining loans. Five per cent of each loan made is deducted and invested in stock of the association to be refunded when the loan is paid off.

D. W. Forbes, L. A. Kimball, Charles Gleason, of Bloomfield; Mrs. Oliver Fries, of Union, and Alfred Thompson, of Richmond, were elected directors for the ensuing year, with D. W. Forbes, president; L. A. Kimball, vice president; L. W. Swan, reappointed secretary-treasurer. They named F. W. Forbes with Charles Gleason as substitute, L. A. Kimball with C. E. Inman, Delavan, substitute, and Charles W. Smith with substitute yet to be elected.

BURLE DOBSON NEW POLAND ASSN. PRES.

G. W. DAVIES SEC. Chicago.—The directors of the American Poland China Record association have chosen George W. Davies as their secretary to succeed William M. Madden, who has resigned. Until recently Davies has been engaged in the fruit business near Ontario, Cal.

At one time he was the county agent of Grant county and later employed by the Wisconsin Livestock Breeders' association. For a period of years he served as superintendent of schools of Sauk county, Wisconsin.

The president of the Poland China Record association is Burle Dobson, a Grant county, Wisconsin, breeder, who is one of the directors of the Wisconsin Livestock Breeders' association. Dobson announces that until

Chicken Thieves Are Sentenced to Year at Green Bay

Jefferson—Arthur Miller, 18, and Paul Krakow, 19, town of Watertown, pleaded guilty to a charge of stealing chickens from the farm of Edward Bauman, Watertown, and were sentenced Thursday to the Green Bay reformatory for one year, by County Judge G. Conway.

The boys admitted they stole about 640 chickens from farmers in the towns of Watertown and Milford. They were taken to the reformatory Thursday night by Sheriff T. J. Smith.

The boys were arrested by Deputy Sheriff Emil Tancak of Watertown, early Tuesday morning, after being caught with 84 chickens which they stole from the farm of Edward Bauman.

According to Mr. Bauman, the farmers had been missing chickens in great numbers since January, and that he himself, previous to Tuesday's raid, had lost about 140. The farmers quickly organized and set a trap for the boys.

NEW STATE RECORD MADE ON HOLSTEINS

Wisconsin's new senior four-year-old Holstein butter champion for ten months' production is Lady Grace Hengerveld, owned by Murphy Farms at Egg Harbor. Her record as announced by the advanced registry department of the Holstein-Friesian association of America, is 20,905.8 pounds milk and 729.11 pounds butterfat—equal to 925.8 pounds butter.

As a consequence of this record, this cow displaces the former state champion in this class, Dora Lumber Boy Finghurst, of the herd of John Zuberlin, Plymouth, whose record is 20,583.5 pounds milk and 206.3 pounds butter.

1,500 CASES OF ABSENCE REPORTED

800 Cases of Tardiness Listed in Grade Schools for Semester.

Two hundred fifty-six out of the 1,739 in the grade schools of the city were not present during the first semester of the school year, 1923-1924, according to the report of the attendance department recently submitted to the superintendent. According to the report, there were 871 cases of tardiness during the period.

Figures in the statement show that by far the large majority of the absence is for a period of less than two weeks, with 770 cases being for less than 5 days, and 508 for 5 to 15 days. The proportion grows smaller for the longer periods—141 for 15 to 25 days; 44 for 25 to 35 days; 15 for 35 to 45 days; 2 for 45 to 55 days; and 2 for 55 to 65 days. The combined first grades have

the largest number of pupils absent, 280; with the kindergarten a close second with 279. Other grades come in order as follows: Second, 256; fifth, 267; fifth, 162; fourth, 132; third, 133; model school, 26; opportunity room, 16.

Enrollment by grades is as follows: Kindergarten, 296; first, 315; second, 292; third, 171; fourth, 203; fifth, 267; sixth, 205; opportunity room, 26; model, 36; or a total of 1,739.

In actual number of times tardiness has occurred during the past semester, the Garfield school stands at the head of the list with only 46 cases, and the Washington second with 47. Others in order of the number of cases are: Jackson, 53; Webster, 56; Grant, 103; Douglas, 112; Jefferson, 189; Adams, 246. The total cases for the city since last September is 871. The largest number during that time were in the second grade, 201, and in the first, 174.

ENGAGED TO MARRIAGE

Paris—Mabelle Gillman Carey, divorced wife of William Carey, former head of the U. S. Steel corporation, is engaged to Prince Luis Ferdinand, son of the Duke of Galliera, a first cousin of King Alfonso of Spain, the Herald said.

To Lay 10 Miles of 90-Pound Rails

Ten additional miles of 90-pound rails are to be laid by the Chicago, Milwaukee & St. Paul railway. Six miles will be laid from Janesville to the "Y" at Milton, the other four going into Stoughton. They will replace 90-pound rail.

The St. Paul system has made arrangements to get gravel from the Wilcox pit on its line near Janesville for use in ballasting.

The larger percentage of this gravel will be shipped to La Crosse for use in that territory, because gravel there contains too great an amount of clay.

NEW EDUCATIONAL IDEAS ADVOCATED

Develop Individuality, Corrupters' Theme in Delightful Lecture.

In presenting Leslie Young Corrupters, of the Keith school, Rockford, at the high school auditorium, Thursday night, in a lecture of "Educational and Community Development," the January Council and Council of Parents-Teachers' associations made a distinct contribution to the community. Mr. Corrupters, an educator, artist, traveler, and linguist, has a colorful background from which he drew much of the material for his delightful and unusual lecture.

His theory for the individual and community is the development of personality. He is interested, with other supporters of the Keith school, in the new movement in education, that of giving more attention to the unusual child. In the past, Mr. Corrupters stated, too much time has been spent in attempting to bring the backward child up to the average and then in maintaining an average with all the pupils.

Suggests Modern Methods

Knowing that all children are not alike, educators should seek to find what appeals to the unusual child and then his talent, he said. Extremes in education will not be the result of this method, Mr. Corrupters said. Concentrating on the worthwhile in children will bring about valuable contributions to the community, Mr. Corrupters believed. Modern methods have not been used in educating the modern child, the speaker said, with the result that parents and educators have nothing to offer the child, the modern child, and the modern literature. He suggested that instead of the ancient classics, chil-

dren should be allowed to study such authors and poets as Horace Walpole, John Keats, Vincent Milay and Amy Lowell.

Deplores Conventionality
He reprimanded parents for their conventionality in tastes, which has made every house alike, and dress similar to that of each neighbor. People are losing their critical faculty for themselves. They accept the hearsay of their neighbors on entertainments, books, furnishings, and mode of living. Consequently, America is a country of copyists, with every city doing away with its individual charm. Mr. Corrupters stated, calling in city planners to make their town just like every other in the country.

He gave many interesting examples of schools which are developing self-expression, among them a school at background from which he drew much of the material for his delightful and unusual lecture.

Geneva, Switzerland, where rhythm is the keynote of all study. The study of color and sound are supplemented for academic subjects in developing the mind.

In closing, the speaker said that the Keith school, with which he is connected, exists only as an experimental station to try out new methods and, if they are successful, pass them on to the great public and parochial school systems.

Chorus Numbers Are Unusual

One of the most attractive numbers in the musical comedy, "All Abroad," is the "Sweetheart" chorus, led by Walter Krueger, the young college lad. This number consists of 24 girls in French, Irish, Dutch and Spanish costumes of brilliant colors. They sing and dance to the captivating song, "A Sweetheart in Every Port," and it is the largest singing and dancing number in the show.

Near the opening, these 24 girls are expected to be one of the outstanding features of the chorus work.

French-Evan Thompson, Myra Anzalone, Gladys Tiffany, Mary Lillburn, Marie Weitz, Catherine Grant, Dutch-Mary Rogers, Elizabeth Davis, Mildred Burr, Nora Tobin, Margaret Schlicker, Myra Bellows.

Irish-Florence Thompson, Violet Granger, Anna Campbell, Sadie Gorley, Veronica Churchill, Alma Hammarlund.

Spanish-Elise Albert, Agnes Campbell, Helen Thompson, May Matthews, Alice Lee, Genevieve Albert.

Another attractive number will be the ballet dance led by Margaret

Enochan, with 16 dancers in bright, gaudy costumes. These girls are known as "Bashful Bumble Bees." The girls of this chorus are:

Honey Bees-Lola Blackford, Doris Harper, Evelyn Smith, Virginia Barrie, Florence Hilmeyer, Marcella Dillon, Helen Curry, Bernice Cane.

Bumble Bees-Mildred Dixon, Dorothy Caldwell, Norma Van Antwerp, Jean Caldwell, Marcella Hill, Susie Fisher, Genevieve Dussard, Helen Wilbur.

BELoit *JANESVILLE*

Busy Man's Sport Page

By FRANK SINCLAIR

EVERY TIME Joe Steinmeyer steps into a Janesville rink, the third man, the fans give him not only the once over, but the double "O." Joe is finely muscled, strongly built and graceful. Why? Well, he is a coach at the University of Wisconsin, and it is no secret that he has the tendency to give a man pulse and biceps. It is found in a swimmer in the pool. Just take a glance at any number of athletes and the story is easily told.

"SWIMMING gives confidence, grace of carriage, symmetry of figure, change of pulse, freshness of skin, cleanliness of eyes, alertness," says Joe. "It is a tonic for the body, invigorating and available to all, rich or poor. For muscular development, what sport equals it? If you want a good model, swim, swim, swim. A day and a night to be in it."

STEINMEYER goes on: "To be able to swim several miles in a choppy, turbulent, rough sea is an accomplishment and art, the achievement of which is simply a matter of practice and perseverance. It is a sport which is particularly fortunate in having two swimming pools in the city. There are 520 boys and 284 girls taking swimming down here. I believe the Y. M. C. A. is conducting special classes. The Y. M. C. A. pool is in constant use by 32 ages."

Robert Canfield, Detroit, and world's record holder, defeated the Mattachine, Chicago, 15-18 in 22 minutes at three cushion billiards.

Joe Kilmann, Rockwood Hill, N. Y., defeated the Tappan golf tournament, winning at Corpus Christi with 255 on 72 holes.

A. B. C. leading meet opens at Chicago, Saturday, with 2121 teams.

Dr. Rowden R. Tull, Rockford, Illinois, campaign for presidency of Illinois basketball.

Janesville High Cagers Meet Beloit on Friday

BANAN!

"Yes, We Have No Bananas"

Some day next week, the famous popular song that has made its way around the world will be the feature of one of the general assemblies at Janesville high school.

It may be delivered in a solo, with Coach Edward H. Gibson, famous football star at the University of Wisconsin, two years ago, occupying the role of tenor, or something. Or it may be sung in chorus (2) by the basketball team of Janesville high school.

It is this way, the coach of the Blues and the team have made a little proposition. If the team defeats Beloit, Friday night, in the new high school gym, "Gibby" has not to do the singing all by his lonesome. If the team loses, it's up to the athletes to warble the Italian ditty.

Problem: "Who is going to suffer most, Gibson, the team, or the students?"

Test will not be able to play Friday. He hurt his foot in the Beloit game last week and has been under the doctor's care. He will be kept out for another week.

Rich Meyer, Madison, will referee, and Andy Dwyer, Whitewater, will umpire.

The scores of each school will be posted at 6:15 p. m. Janesville will use Sheridan, Andy Austin will use Madison at forward; Lyke at center; Nightingale, Pugh, Monser, and Schmiedel at guards. Ray Leary will handle the game.

MARQUETTE CAGERS MEETING FRANKLIN

Indianapolis—Three basketball games of unusual importance are scheduled to take place in Indiana Saturday night. They are the Marquette university game at Franklin, Chicago and Indiana university, and Michigan at Purdue, Friday night.

Notre Dame and Creighton will meet at Omaha, in the first of a two game series on consecutive nights.

SUPERIOR HIGH LONES

Superior—Displaying one of the most well drilled machines ever seen in action in Superior, the Duluth Central basketball team Thursday night defeated the Superior high school team by a score of 28 to 12.

THE GOLDEN EAGLE

—LEVY'S

(Oxfords or Shoes, \$7.)

There is no price question!

Walk-Over does not admit that there is any question about shoe prices. The base price of Walk-Over is \$7. Shoes cannot be made with Walk-Over quality to sell at less than that.

To make shoes that can be sold at less than \$7, something must be sacrificed that goes into Walk-Over shoes to make them fit, wear, and look good. Walk-Over shoes cannot and never will be cheapened to meet competition in price alone.

There is no question as to the lowest price of Walk-Over. It is \$7. When you want more trimming, decoration, more combinations of leathers and colors, you can get them at \$8.00 to \$10.00. The standard prices for good shoes, are

\$7 \$7.50 \$8 \$8.50

CLEAN HOUSE OR VOTERS WILL PLEA

Lodge Stand Against Daughtery Simply Case of Practical Politics.

By DAVID LAWRENCE
Copyright 1924, by Janesville Daily Gazette.

Washington—The full force of public opinion on the Tropic Dome scandal has struck.

Washington, Feb. 22.—The full force of public opinion on the Tropic Dome scandal has struck. The whole controversy has reached the point where nothing short of a complete and thorough cleanup of every phase of the oil leasing affair will benefit the republican party politically. When Secretary of Labor Davis said the administration was "broken-hearted," he reflected a true state of affairs. The president himself had nothing to do with the appointment of Davis to the position of justice. He was a fair judge and gave everyone a chance to be heard. The pressure of politics from all sides is being exerted to compel him to get rid of all who played a remote part in the transactions and he may have to yield ultimately to that demand.

Legion Offers

\$25 for Posters

For the best posters by school children advertising the American Legion show, "All Aboard," the Legion will give prizes of \$10 for first; \$7.50 for second; \$5 for third; \$2.50 for fourth; and \$1 for fifth.

School teachers have been asked to interest their pupils.

Three judges have been appointed to decide the prize winners. They are Miss Charlotte Pritchard, head of the art department of Janesville high school; Mrs. Florence S. Hyde, community editor of the Gazette; and Weldon H. Wade, director of the Legion show.

Posters must be taken to the Myers theater between 8 a. m. and noon, Saturday. They need not be of any special size.

The judges will decide their awards at 2 p. m., Saturday.

Abstinence from Tobacco, Subject for Essay Contest

Material has been sent out to grade schools and junior high schools for the annual essay contest, conducted by the Woman's Christian Temperance Union. For the fifth and sixth grades this year, the subject will be "Why Children Should Abstain from Tobacco." Among the eighth and ninth grades, "Abstinence from Tobacco as a Help to Fitness to School Athletics."

For the lower grades, essays are to be between 150 and 300 words in length, and for the upper, between 300 and 600 words. Papers which win in this city are to be entered in the county contest, and the winner in this is entered in the state contest.

Amounts of prizes to be offered this year in the city contest will be decided at a meeting of the W. C. T. U. to be held at the home of Mrs. George Allen, Thursday afternoon. If possible, the high school will be entered this year. That school has never taken part.

H-I-Y MAY PRESENT ENTERTAINMENT

Some definite action concerning a H-I-Y play or entertainment, possibly similar to "Putting It Over," presented here last year, this proceeds of which were used to buy the radio set now at the Y. M. C. A., may be taken at the next meeting of the club on Wednesday night. The committee, consisting of Herman Eichengrass, Arthur Mahanberg and Donald Flaherty, made a report last night, but the matter was referred back to them.

Each member of the club will sell as many tickets as possible to the Hoffman lecture here March 3, it was agreed.

In addition to the usual Bible study, parliamentary practice, under the direction of Leon Battig, was taken up.

JAPS ALARMED AT YANK "AGGRESSION"

Tokyo—Japanese newspapers commenting on reports that the American navy plans to build gunboats for the Yangtze river service directed the government's attention to the anticipated expansion of American naval power in Chinese waters.

Beijing—A total credit of 1,166,000,000, which has been advanced to German industry, a government announcement said.

URGES SCHOOLBOYS TO ATTEND CAMP

Supt. Callahan Pushes Camp Custer Plan for Summer Training.

Madison—Attendance of more high school boys of Wisconsin to the citizens' military training camps, conducted each summer at Camp Custer, Neb., is advocated by State Superintendent of Schools John Callahan in a letter to high school principals. The camp will be conducted for two weeks during August. The school superintendent's letter in part follows:

"The young men with whom I have talked who attended the camp last summer are exceptionally enthusiastic as to the benefits they received, as well as to the good time they had. This course is open to all men between the ages of 17 and 24.

"As I understand it, this course is given to them without expense on their part. By giving this a few minutes of your attention, you can probably be of material help in raising the quality of the group who will attend the camp during the coming summer."

Operetta Will Be Given by Pupils of Evansville

Evansville—To further the interest in music, and to make music a more appreciative subject, the grade school glee club is presenting an operetta, "The Isle of Chance," with words and music written by Otto M. Carlington. The operetta will be given Monday, Feb. 25, in Magee's opera house, the proceeds to be used for musical purposes.

It is divided into two parts, the speaking parts under direction of Miss Amy Perry, and the singing parts under Miss Wella Penning.

Following is a list of the principal characters:

Donald Stoner, King Greed; Billie Tuxton, captain of the Good Ship Case; Louise Lindsay, Scampella; Donald Elton, Lord What's the Use; Ruth Gullfoyle, Lady Frivolous; Lucinda Davis, First Polly; Elizabeth Fellows, Second Polly; Martelle Griffith, Third Polly; Richard J. J. On a Granch; Lewis Deane, Treasurer; Howard Munns, No Cares; Deafened Nance, Few Cares; Sigvald Olson, Who Cares.
